

Rev Milton Eng has “Thou Shalt Not Covet”

Exod. 20:17; Matt. 5:27-28; 1 Tim. 6:9-10
Introduction:

Rev Milton Eng

I. The Tenth Commandment in Two Versions

II. The Meaning of the Tenth Commandment

III. Final Thoughts

IV. Final Exam

Share and Discussion:

- 1) The Tenth Commandment is rather unusual because it does not focus on outward actions like the other commandments but on inner desires. Why do the commandments include such an unusual instruction which cannot even be observed outwardly?
- 2) American culture is often focused on getting more: more money, a better job, a bigger house, more likes on FB, and more employment benefits. How does today's teaching on the Tenth Commandment instruct Christians to think differently?

分享與討論：

- 1) 第十誡很不尋常，因為它不像其他誡命那樣關注外在的行為，而是關注內在的慾望。為什麼誡命中包含了看來不能從外表上遵守、如此不尋常的指示？
- 2) 美國文化通常注重獲得更多：更多的錢、更好的工作、更大的房子、更多的 FB 點贊、更多的就業福利。今天關於第十誡的教導如何指導基督徒以不同的方式思考？
